

### Mission Statement

In line with our company strategy,  
we have established a clear and specific mission  
to deliver an outstanding service across all our business

*Our Vision Statement is:*

***To ensure our Clients feel 'safe and  
secure' by providing a service that is  
reliable, honest, and innovative,  
that our employees feel they work  
with us- not for us,  
and that our business is enhancing  
the community in which we serve***

***And in doing so achieve our mission:***

***That our Client's can 'rest assured that they are secure'***

As Managing Director, I along with the Senior Management Team, will ensure those that operate within the business understand this statement and how they contribute to its effective implementation.
